MISSION
Morang South Primary School is a committed and unified partnership of teachers, parents and children. We value diversity and strive for excellence. We are committed to providing a high quality education in a cooperative, caring and safe environment. Children are encouraged and challenged to reach their full potential.

15th December 2011

From the Principal
Hi Everyone,

I’d like to thank everyone in our community for your support throughout the year, students, parents and staff alike. The very positive relationship we have with our community is one of the reasons we have such a great school. We are very appreciative of the large number of people who are involved in our school. We are lucky to have an outstanding School Council and Parents and Friends group, who in conjunction with our Presidents, Troy Cox and Cathie Emery respectively, put in many hours to support our school. Thank you so much Troy and Cathie and all members of School Council and PFA for your support!

We had a very pleasant morning tea for our parent volunteers on Monday. It was terrific to see many of the parents and be able to say thank you in person. There are also a large number of parents who help around the school in classrooms, on excursions, camps, and the library and in the canteen who were unable to attend so please accept a huge thank you from us all. Thank you for a wonderful 2011.

I’d like to thank all of the staff for their dedication, support, and the caring and committed way in which they have gone about their work this year. Our fabulous Assistant Principal, Sandi Young is certainly making a positive mark on our school. Her leadership and support are outstanding. Thank you for your commitment, hard work, counsel and the laughter we’ve shared this year, Sandi.

Your school’s total points as of today 10,569.

VISION
Our vision for Morang South Primary is to become a vibrant learning community where all members are challenged and empowered to strive for and celebrate personal excellence and continuous growth. The children will become positive, compassionate, able, creative, confident thinkers, and life long, socially responsible learners equipped to thrive in and shape the future of our evolving global society.
Donna Fothergill with assistance from Rachel Azzopardi, has once again been responsible for our ‘Classifieds’ this year and has done a wonderful job. This year she has managed to again get sponsorship for a magnetic calendar, which looks terrific. It has key information about our school on it. Please support the sponsors where you are able. There is one for every family so you will receive it with your eldest child’s report. If by some chance you don’t receive one, please call in to the office and collect one. Thank you and well done Donna and Rachel.

I have just spent some time outside enjoying the Billy Cart Race heats. The school grounds look magnificent. The excitement was palpable and was fuelled by the colourful banners, T-shirts and of course the billy carts. Our grade 5/6 children, in their teams, and their hard working teachers have worked diligently this term to create an atmospheric day which I am sure will live in the children’s memories for years to come. Not to mention the learning that was done about, teamwork, simple machines, tools, measurement, construction and scale to name just a few! Congratulations everyone!

Last Thursday evening was indeed a busy one. We welcomed our 2012 Preps and their families at a sausage sizzle, where they met their teachers and some of their class mates and were able to enjoy our wonderful facilities. Sandi and I then rushed off to Bunnings to watch our Carolers sing to their families and other guests. They did a wonderful job and thoroughly enjoyed themselves. We thank Bunnings for inviting us and supporting us so well in 2011!

This year the grade 5/6 staff, well led by Debbie Cullen, have set a new benchmark in relation to the training and election of our student leaders for 2012. The grade 5s participated in a leadership day last week, where they were given an opportunity to understand and consider leadership roles and responsibilities. While the process is still running for some leadership positions, the process for school captains has been concluded. This fairly rigorous process involves applications, speeches and interviews. Seven girls and six boys stood for these highly valued and important positions. This was then reduced to four of each gender, after the speeches and voting. Congratulations and thank you to all of our participants who showed purpose, poise and pride in our school. After eight engaging interviews, it was indeed difficult to arrive at the final decisions.

However, I am happy to announce that our School Captains for 2012 are Sarah Emery and Thinura Wijetunge and Vice Captains are Lauren Marshall and Lachlan McDonald. Congratulations to these outstanding young people. Sandi and I are looking forward to working with them as our student leaders in 2012.

Next week Sandi and I will host a morning tea for our current and incoming School Captains and Vice Captains where we will celebrate their achievements, reflect on 2011 and look forward to 2012.

Our first whole school assembly for 2012 will be on Monday February 6th, where our student leadership team will be presented with their badges.

We have a number of staff leaving at the end of the year and some returning from leave in 2012.

Farewell and thank you to the following staff:

Connie Constantinou has been at MSPS for more than ten years. She is a much valued staff member who has taught children from many of our current and past families. Connie is a dedicated, committed and well organised teacher who develops great relationships with her class. I am sure you will all join with me in thanking her for her wonderful contribution to Morang South. Connie will be greatly missed. Connie and her partner Stephen are soon to be parents. We are all very excited for them both and also about meeting their son Max when he enters the world in approximately three weeks time. We wish them all well on their journey as a family.

Debbie Molloy first commenced here as a CRT in 2002, then as a full time grade 1/2 teacher. She then taught grade 5/6 both full and part time and in recent years has been our part time PE teacher. What a varied contribution she has made! We have seen Debbie’s family grow and she is now interested in dedicating herself to working full time in a grade. Debbie is to be congratulated on her appointment to Kilmore Primary, where she will be taking grade 5/6. This position will also be convenient for her family, as she lives in Whittlesea and two of her children attend Assumption College. Thank you for all you have been to MSPS, Debbie. We will miss you and wish you well at your new school.
Rachel Janis has been with us for three years as a valued classroom teacher and in the past two years has made a significant contribution to our eLearning program. Rachel is a dedicated and creative teacher who always endeavours to challenge the children in her class. Rachel has been keen to find a position as an ICT Specialist and to her credit; she set her goals for this and has now achieved them. Thank you Rachel for your contribution to MSPS, we will miss you but we wish you well in your new role as ICT Specialist at Watsonia North primary school.

Emilia Iaconis, who has been both a highly respected and valued LOTE specialist and grade 5/6 teacher here at MSPS is taking twelve months leave. We wish her well in her endeavours and hope to see her back in 2013.

Fiona King has taken Performing Arts this term. She had a hard act to follow after Michele Creevey retired but has fitted in well to our school and taken a stimulating and enjoyable program. The feedback from children, parents and staff has been wonderful. Thank you, Fiona.

Effie Papageorgiou has been with us as a Literacy Coach this year as part of the Northern Region AIZ. Effie has given us wonderful support with our Literacy Programs this year. She has worked closely with our 3/4 team to build their teaching capacity. This program has been discontinued by the current government, so Effie will be returning to her base school. I’d like to thank Effie, for her expertise and support, she will be missed.

Our Integration Program is an important part of our school. Charleigh Nicholls, Kristin Bulley and Leanne Bradstreet have all worked successfully as Aides in the program this year. At this stage, with the PREPIC program running on short hours during term 1, Charleigh, Kirsten and Leanne will not be with us at the commencement of the year. They have supported our children and staff with good grace and lots of smiles. It has been wonderful to have them work with us. We wish them well in the future which with some luck may be back at MSPS later in 2012.

We will be welcoming back:

Rachel Young, who been on family leave and now has two school age children. Rachel has worked with us for two terms this year in Home Group 13 on a Friday. She will be returning full time next year as a classroom teacher.

Sue Grad, who has also been on family leave, has two young boys and will be returning in a part time specialist role.

I know you will be pleased to hear that we will be having four specialist programs in 2012. These will be Visual Arts, Performing Arts, Science and PE. Of course Library sessions will also be maintained via the classroom teacher. Next year is a concert year so there will be plenty of Performing Arts on the horizon as well as the specialist Performing Arts program.

Our staffing profile and grades for 2012 will be included with your child’s report when it is distributed next Tuesday.

The end of year reports have been written and are on their final print run. I have read a large number of the reports, children’s self assessments and have seen many of the portfolios. Together they give a very detailed view of your children’s achievements and work habits. I hope you will make time and take the opportunity to celebrate your child’s successes with them and discuss any opportunities for improvement. I am certainly proud of the work the children have put into their learning and proud of the work the staff have also put into these reports. I hope you will find the time to thank your child’s 2011 teacher for the hard work they have put in and the support they
have given your child this year. Our teachers at Morang South all give and work above and beyond what is required by the Department of Education and Early Childhood Development. We are very lucky to have them.

We have a number of families who will not be returning to Morang South in 2011. They are moving to a variety of suburbs from Frankston to Laurimar. We wish them all well in their new ventures, new houses and new school communities. We will miss them all.

Of course we will be welcoming a number of new families into our community as well and I know you will make them welcome.

**Highlights of 2011**

- Our successful school evaluation and review.
- The wonderful classroom programs our teachers provide
- Our improved student learning outcomes
- The extensive professional learning our staff have done this year, particularly out of school hours
- Our Literacy and Numeracy standards and a continuing effort on the part of staff and children to aim for excellence
- Highly effective Literacy and Maths intervention programs
- The BER official opening and the showcasing of our school and programs.
- **Wakakirri** – Outstanding performances from both the grade 3/4 and 5/6 groups. Congratulations again to the grade 5/6 team for coming third in the state.
- Our continuing reputation for excellence in the educational support and programs established for Integration children and Gifted children
- Our innovative and highly successful PrEPIC program, in partnership with EPIC
- The extensive and effective children’s and parent support and mentoring programs.
- The supportive partnership we have with parents and our local community
- The expansion of our Netbook computing program across the entire grade 3-6 area
- The expansion and highly effective use of Interactive Whiteboards and Televisions across the school
- The continuation of our highly valued Extra-curricula Activities – Wise Ones, Extension Maths, Tournament of the Minds, Keyboard, Guitar, Swimming and Chess Club.
- Enthusiastic and dedicated School Council
  An outstanding Parents and Friends group who again raised much needed funds of approximately $10000 for our school

We have a great school and 2011 has been another wonderful year!

Finally I’d like to wish you all a peaceful and joyful Christmas with your family. This is a time to make the most of the privilege of having the company of our children. I hope the New Year brings you health and happiness.

I’ll look forward to seeing you on **Monday at the Carols** and then on **Thursday February 2nd for the commencement of the 2012 school year**.

Please remember that we love to have parents helping in the classrooms and if you have any worries or concerns, please let us know straight away.

Keep up that life-long learning!

From your Principal,

Julie Jones

This event was held at the Whittlesea Bowls Club. The children had the opportunity to be coached by the senior members of the club and play games against Whittlesea Primary School. It was a fantastic day and the kids thoroughly enjoyed themselves. I would like to say a huge thank you to all the members of the Whittlesea Bowls Club for giving up their time to help coach our kids.

Thank you
Debbie Molloy
The Madd Gear Scooter program had a fun games based approach and aims to improve the student’s coordination and balance by developing skills such as pushing, turning, stopping and tricks. It also has a primary focus on Injury Prevention and Skate Park Etiquette.

Thanks to the YMCA Staff Members/Scooter Coaches

Debbie Molloy
When I got the bike I was so surprised! I am so happy at my effort and I am now learning how to ride my shiny new bike! Thank you so much Natasha Vu.
Chess Club

Beginner Chess Club
A new edition to the Morang South Primary School Chess club, we have already seen great progress in these newcomers to the game. From not knowing what the names of the pieces were, many players in the group have been able to beat some of the more established players in the intra-school tournament played recently. Many awards were given out to signify the great accomplishments of this group. There were gold, silver and bronze medals as well as most valuable player, encouragement and most improved pins. The gold medal went to the outright winner Jack, while Alyssa narrowly snatched silver away from the third placed Shaydon. Most valuable player was awarded to Sam E, while Luke was given the encouragement award and Kiara received the most improved pin. All of the results can be found at http://challonge.com/begt42011.

Year 3/4 Chess Club
Another fun term was had in the year 3/4 club. We saw some great improvements by players and some new faces in Andrew and Simon. This term there was no stopping the unbeatable Ty with only one blemish on his record with a draw to Ethan, for this Ty received the gold medal. Jake came out on top over Peter for a close 2nd placing and resulting silver medal, leaving Peter with the Bronze. Franki received the most valuable player pin, while Zac and Simon received the encouragement and most improved awards respectively. All of the results can be found at http://challonge.com/34t42011.

Year 5/6 Chess Club
The fight for first place in this group was very strong, going down to one tie-break point; this brought a lot of fun and excitement to the group as we witnessed the first place battle come down to the final week. Coming out on top of this was Kiyan, grasping the gold medal, leaving the unlucky Jesse with the silver medal, while Fonda, after only two terms of chess, gave a vaient effort to receive the bronze medal. Placing three spots higher than her original seeding, Kassandra clenched the most improved while Nevmin received the enthusiasm award for always being on time and keen and Marlon got the most valuable player pin. All of the results can be found at http://challonge.com/56t42011.

Intra-school Chess Tournament
On the 7th of December, 28 of our 30 chess players competed against each other in an all-out brawl, so to speak. This tournament allowed each of the kids to play against different skilled players that come from each of the other groups, giving them good experience for when the inter-school chess tournaments are played. Some interesting, surprising and impressive results were presented to the many parents that spectated during the day. The usual awards were given out at the tournament as well as an extra improvement pin as well as the best girl award, which is simply the highest placing girl in the tournament. The gold, silver and bronze medals were given to Sophie, Kiyan and Shaydon respectively; an impressive result for the beginner group bronze medal winner to then come 3rd out of all of our players. The most valuable player was narrowly awarded to Fonda, matching the same amount of votes as Alyssa and only besting her by finishing with a better result. The two improvement pins were given to Jack and Shaydon, while Kelsea received the encouragement award for battling through a hard day against players much older than her. The best girl was given to the gold medal winner, Sophie. A special thanks to all of the parents that turned up to watch their kids play, it was great to see. All of the results can be found at http://challonge.com/tout42011.

Information
Chess club should be returning once again next year with a similar setup and hopefully a bigger room. To monitor the players’ progress, you can visit http://mspschess.challonge.com where you will find links to past and present. I, Rhys, the chess coach, would like to thank all of the children for making the past two terms a great and fun experience and hope to continue for many terms to come. I would also like to thank the parents of these children for any and all of the support they receive at home for chess. Last, but not least, I would like the thank my mum, Mrs. Gevaux, for supporting me through the past two terms of chess club as well as allowing me to use part of her room, thanks to Mrs. Govett and Tamara Walters for this as well.
Congratulations to all those that received awards for one reason or another during the term and to those who persist and strive to improve their game. Looking forward to another great term of chess next year, see you then!
FUNDRAISING MADE EASY & FUN WITH MATCHBOX
School Loyalty Program -
Head into Matchbox Plenty Valley and have fun shopping for
great cookware and kitchenware products
Mention your school when you make a purchase at
Matchbox Plenty Valley and your purchases will go towards
earning rewards and vouchers for your school

We always welcome new members
On behalf of the Parents and Friends Committee

Thank you for your on-going support with our fundraising and we look forward to seeing you all in 2012

Icy Poles will be available for sale from the school canteen for the Carols and Family Picnic between 6–7 pm
**Water Bottles**

$6.00 each or 3 for $10.00

These fantastic school drink bottles have our school logo and our school values. They also have provision for the name to be written around the top.

Please complete the form below and we will send them home with your children. OR they are available to purchase from the second hand uniform shop on Thursdays from 3:00-3:30 pm.

Please send them home with:
Name: ____________________________ HG: __

I have enclosed $_______________ for my order.

---

**Magnetic Pockets**

$4.00 each or 3 for $10.00

*Are you losing track of notices which are being sent home?

*Do you use a magnet but they slide to the bottom of the fridge?

We have heard these comments from lots of our school parents and the Parents and Friends team have the answer for you.

The pocket in the picture above fits all A4 sized notices inside with a large magnet across the back. The plastic is firm (not like a flimsy plastic pocket) and your notices etc will be protected.

At the top of the plastic pocket is the school logo and school details. OR you can choose a plain top so you can customise them yourself to create your own pocket label.

Please send them home with:
Name: ____________________________ HG: __

I have enclosed $_______________ for my order.

---

OSHCG TIMES

we make kids smile
I would like to acknowledge and thank Hanna, Aziz and Sam from **YPA, South Morang** for their recent participation and generosity with Morang South PS. A few weeks ago, Hanna approached Julie Jones and myself about establishing a genuine partnership between YPA, South Morang and our school. Since then, we have 10 sensational promo boards displayed out the front of our school. I’m sure you would agree they look fantastic!!! At our whole school disco, Sam volunteered to be our Santa! At the Prep BBQ Hanna and Sam helped with the BBQ and brought YPA show bags full of goodies for the children. YPA also very kindly donated all the bread, serviettes and sauce for the night.

**Thank you again YPA! We look forward to working with you in 2012!!!**

**Did you know?**

If you sell your house with YPA, South Morang and mention that you are a Morang South Primary School Parent... YPA will donate $500 to our school? Please spread the word!

Sandi Young
Assistant Principal
SEEN SOMETHING, KNOW SOMETHING, SAY SOMETHING

Local police will be conducting high visibility patrols and educating the community this bushfire season as part of Operation Fire setter, to help prevent and detect bushfire arsonists.

The annual operation will also target investigations into bushfire arson persons of interest.

It is important that the community is committed to preventing bushfires and arson, and to assisting police in the detection of offenders.

“If you’ve seen something or know something, say something”

Police are asking children and parents to be vigilant this summer and come forward if they see or hear of anyone who just doesn’t seem right because without intervention, they may harm others.

The community can help by immediately reporting any suspicious behaviour to police by calling Triple Zero (000).

Police ask that callers take note of the description of any suspicious vehicles or persons.

If a member of the public suspects someone of bushfire arson, Crime Stoppers can be called confidentially on 1800 333 000. There is no obligation to give your details.

Local police would also like to take this opportunity to wish you all a very happy and safe festive season

Morang South Primary School Commemorative Bricks Fundraiser

If you would like to participate in this fundraiser, please return this section below in an envelope with the correct money and the slip of paper below with your design on the back. (Please remember to follow the instructions below).

Name: ___________________________  HG: ________

YES PLEASE! I would like to purchase ______ brick(s) and I have enclosed $__________.

On the back of this section record your design

(ONE NAME PER PAVER) Please follow these simple steps when creating your hand drawn image.

- Draw your image on the other side of this slip of paper. (the size is the same as the engraving area of a paver.)
- Draw your image using a good quality medium thickness black marker pen. (about 2mm thick.) Do not use a ballpoint pen!
- Make sure that you rub out any pencil lines as these will show up in the finished paver.
- Do not include computer generated or pasted pictures, the hand drawn image engraving process is set up to engrave hand drawn images only.
- Sample #1 has been drawn correctly. Sample #2 is incorrect it has a computer generated image and the text was written with a ballpoint pen.

On the back of this section record your design
