**From the Principal**

18th February 2016

Hello Everyone,

What a wonderful evening we had last Wednesday. It was great to see so many families turn out to meet their child’s teacher and see their classrooms. Many stayed on for the picnic and games. There was a great community atmosphere with lots of social chatter, laughter and fun. The band was terrific and added to the vibe! Thank you to all of the families who attended. Your feedback has been very positive. We hope you will spread the word and we have even greater attendance next year.

Tuesday night our Foundation team held a Foundation Information night where they discussed curriculum with the foundation parents. Well done to our professional and dedicated staff and thank you to the parents who attended.

Parents play a very special role in the lives of their children – their first teachers.

They teach their children to

- walk and talk,
- to use their manners
- to interact with others,
- to try new experiences
- to settle disputes,
- to play
- to share
- to laugh and cry

**VISION**

Our vision for Morang South Primary is to become a vibrant learning community where all members are challenged and empowered to strive for and celebrate personal excellence and continuous growth. The children will become positive, compassionate, able, creative, confident thinkers, and life long, socially responsible learners equipped to thrive in and shape the future of our evolving global society.
After children begin school, teachers endeavour to work with families to broaden the learning that is taking place in the children. Children continue to learn by building on their knowledge and applying these new skills to their everyday lives. The **home/school partnership is very important.**

**Participating in your child’s education does pay off**, a new report finds. The Family-School and Community Partnerships Bureau report says there is a strong consensus that parents play a vital role in academic attainment. The report, compiled by the Australian Research Alliance for Children and Youth, suggests that the influence of the **home on student achievement is 60-80 per cent** and the school accounts for **20-40 per cent.** When parents engaged in their children’s education it appeared to lead to higher grades and test scores, it said.

Last night we had our **Parents and Friends AGM** and the first **Parents and Friends** meeting for the year. It was wonderful to welcome back many previous members and some new members as well. **Thank you** all for attending. Sandi and I will look forward to another fun and productive year working with you all. The office bearers were elected and plans commenced for the year. Congratulations to all the newly elected office bearers. Following is a list of the main office bearers:

**President – Michele Lewis**  
**Vice President – Lynda Luke**  
**Vice President – Adele Whitchurch**  
**Treasurer – Shibrone Campbell**  
**Secretary – Emma Dickens**

Last year PFA raised more than $18000 which is making further contribution to the cooling fan in Paringa gym. What an amazing effort. Look out for more news about this in coming Newsletters.

The **2016/7 School Council** will meet for the first time on **Wednesday March 23rd at 7.30pm.** Unfortunately we did not receive any Parent nominations for School Council so we still have four vacancies.

**We urgently** need some parents to nominate to join us on School Council. Please don’t hesitate to come in to have a chat if you would like more information. Please consider this even if you only have a small interest. **Thank you.**

In order for our school to have the appropriate governance we need to have a formerly constituted School Council with at least 8 parent representatives.

Joining School Council is a great way to get know other parents, contribute to your child's school and hear in more detail about the running and management of the school.

**School Council**

- **Is a legally formed body that is given powers to set the key directions of a school**
- **Is the major governing body of the school**
- **Plays an important role in school accountability and improvement processes**
- **Endorses the key school planning, evaluation and reporting documents**
- **All school council decision-making takes place within a framework of legislated powers, Ministerial Orders, directions, guidelines and DEECD policy**

**Objectives**

- **Assist in the efficient governance of the school**
- **Ensure students' best interests are primary**
- **Enhance the educational opportunities for students**
- **Ensure compliance with relevant legislation and regulations**

**Fundamental Function**

- **Establish the broad direction and vision of the school within the school’s community**
- **Participate in the development and monitoring of the school strategic plan**

The **2015/16 School Council** will meet next **Wednesday February 24th at 7.30pm** in the staff room, for the last time. You are welcome to attend if you would like to see how School Council works.
Develop, review and update school policies
Develop, review and monitor the Student Engagement Policy and the School Dress Code

Our Student-Led, Three-Way Conferences will be held on Tuesday March 22nd. This is an opportunity for your child to share their work and for you and your child to work in partnership with their teacher to plan goals for the coming year. Please put this date in your calendar.

The classroom teachers will be available from 12 noon until 8.15pm and the Specialist staff who work on Wednesdays from - 12 noon until 4.30 pm.

At the assembly on Monday February 22nd we will be presenting badges to the School Reporter and School Photographer; the ICT Leaders and the PREPIC Mentors.

Essential Resources and Activities

Thank you to those families who have already paid their essential resources amounts. These are crucial funds which enable us to fully resource all of our wonderful programs.

Just a reminder that in order for the children to have their requisites this needs to be paid in full or a payment plan entered into.

What an amazing day the 10th of February was, it was Morang South Primary School's first partnership night and everybody had a blast. Some of the amazing things that happened included face painting, a band, billycart races, dinner on the turf and so much more. From 5:00pm to 6:00pm Foundation Grade 6 parents got to meet their children's teachers and got to know them, from 6:00 to 7:00pm it was dinner on the turf and after 7:00pm we had FUN AND GAMES. The children got involved, the parents got involved AND even the teachers got involved. We could tell the teachers were having a good time with all the dancing they were doing.

What makes a positive school community?

What feeling included is all about

Children come from an endless range of different families, backgrounds, cultures and religions. They also have a variety of interests, learning styles and abilities. Despite all of these differences, everyone should feel included and welcome within their school community.

Positive school communities create opportunities for children, families and staff to feel included. They make help and support accessible and find lots of ways to invite people to take up the support being offered. They help everyone benefit from understanding experiences and cultures that may be different to their own.

When children feel included, when they are part of a community that promotes inclusion and respect for everybody, they show more caring and compassion towards others, and they feel safer and more secure. They are also better learners and have better mental health and wellbeing. In a positive school community every face has a place, every voice is valued, and everyone has something to contribute.

School communities from around Australia chose care, compassion, respect, understanding and inclusion as important values for children to understand. These are things that children can learn about. The best learning happens when children see the adults around them putting values like these into practice. Feeling included is important for mental health, and is supported best when diversity is respected and valued.

Being included and learning to include and respect others are very important for children’s social development.

Being included promotes belonging and connectedness, which are also key factors for supporting children’s mental health and wellbeing.

How parents and carers can help

- Get to know other families, take an interest in others’ different backgrounds as well as what you have in common.
- Set up a ‘buddy’ system where families who have been at the school for a while buddy up with new families to provide welcome and support.
- Encourage children to include and appreciate others’ cultural and individual differences.

Every Face has a Place @ MSPS
SPORTING SCHOOLS GRANT

During semester one of 2016, we have been fortunate to again receive some funding from the Federal government initiative, Sporting Schools Program. The aim of the program is to bring local community organisations, sporting clubs and schools together to provide a supportive partnership to drive children’s passion for sport in a fun and friendly environment. Due to the nature of the funding process, the money that has been given to our school is “tagged” to be used for particular sports, and is restricted to certain conditions in the way that the money is used. During term one, the money will be used for an Athletics focus. Six grade 3 / 4 students from each grade will be given the opportunity to be involved in a 4 week lunchtime program, beginning on Thursday February 25th, run by Athletics Victoria. We will also be able to purchase some new Athletics equipment. During term two, the focus will be Volleyball (details TBA).

On the 5th of Feb the grade 3-6s went to the Diamond Creek Swimming Pool. It was a really sunny day and everyone enjoyed it.

The different types of swimming styles we swam on the day were freestyle, breaststroke and backstroke. There were also a couple of novelty races so everyone could join in. Confident swimmers competed in backstroke, tube race and freestyle.

Everyone was cheering on their team. Personally I thought that Blue and Red house showed the best sportsmanship.

On the 15th of Feb the district swimming team went to Northcote Pool and competed against other schools. We all swam awesome and put in our best effort. Our school came 3rd place overall.

The 11Y.O relay team has made it to division!

We had a great day.

On Monday February 15th, 28 students attended the Bundoora District Swimming Sports at Northcote Aquatic Centre. The team was chosen from grade 3-6 students (10-12/13 year olds) who achieved good results at the MSPS School Swimming Carnival. Students participated in individual events such as Freestyle, Backstroke, Breaststroke, Butterfly, as well as Freestyle and Medley Relays. The students were fantastic at “having a go” and competing in the 50 metre pool—a long distance to swim!! We achieved some terrific results with a few 1st, 2nd and 3rd place-getters, and the MSPS team came 3rd overall. Also Jonathon S., Tezai R., and the under 11 boys Freestyle relay team (Declan M., Ethan D., Taylor A., and Jonathon S.) made it through to the next level (Division) - we wish them lots of luck as they compete again on Monday March 2nd. The whole Swimming team were a credit to our school and showed outstanding Sportsmanship as they encouraged and cheered each other along. What a great day! Thanks to Mrs. Jeffery who came to help and particularly to Sandi (Steph & Bree’s mum) who helped all day with the marshalling of our swimmers. Great to also see lots of parents who were able to come along and support our team.

MSPS LEADERSHIP DAY

It all started at 7:45 in the morning, the school and vice captains, house captains, the photographers, reporters and ICT monitors all went to Melbourne Convention Centre.

The school leaders had to attend different conferences to learn how to be a leader. Students also got to try win leadership badges.

We also got to have a break in each session for 10 minutes called LOUD NOISES!, that was really fun!

Some of the conferences attended were:

- Session 1– how to grow as a leader
- Session 2– bye bye bulling, people to influence
- Session 3– traffic light leadership, then Q&A with staff members.

All of us had a blast.

Remember that every day counts and arriving at school on time, every day, can improve student learning! Please make sure you send a note if your child is going to be absent from school or on their return to school after an absence.

Great news!, We are now set up to use “Our Online Canteen” for lunch ordering.

You can go to the link, sign up and follow the instructions.

You are still able to use the traditional process for ordering lunches through the classroom lunch order box and the paper bag.
FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government’s commitment to breaking the link between a student’s background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- $125 for primary school students
- $225 for secondary school students

HOW TO APPLY

Contact the school office to obtain a CSEF application form or download from www.education.vic.gov.au/csef

MORE INFORMATION

For the CSEF application closing dates and more information about the fund visit www.education.vic.gov.au/csef

Supervision before school

Parents are reminded that teachers are on yard duty from 8.45 am and that students who arrive at school prior to this time are not supervised. Any child who arrives without an adult before 8:30 am MUST go straight to the office. Children arriving at school earlier than this will be placed in Out of School Hours Care and you will be charged accordingly.
Have you downloaded the MSPS app?

Our school app provides an other medium for MSPS to communicate and connect with our parents and carers.

To download the app...

- Just visit the App Store for iPhones or Google Play for Android’s.
  (If using an Android phone, search for ‘Updat-ed School’)
- Search for Updat-ed and then from the menu select our school.
- The school will receive your registration request and the school will need to approve you before your app is up and running.

So what will the app do?

The app is great for sending out alerts (‘Updat-ed’) to everyone or reminders (‘Events’) to specific year levels. One of its best features is having the ability to upload your child’s absence note and also view the online school calendar of events then download the events to your device’s calendar.

We hope you enjoy being Updat-ed.

*The Updat-ed App works best on Smart phones that have the most recent IOS. Please contact Sandi Young or Cameron Borg if you require technical support.

WE HAVE 231 MEMBERS IN OUR FACEBOOK GROUP!

We are encouraging MSPS parents to either download our school app Updat-ed or join our closed Facebook Group: ‘Morang South Primary School’.
Helpful Tips to Beat Head Lice

Back to school for another year and unfortunately this often means the start of the head lice season too. We see an increase in the number of head lice cases in the February to March period, particularly amongst school aged children.

Head lice are extremely contagious. Early treatment is recommended to kill head lice and their eggs and to limit school and family contamination.

95% of lice are transmitted through close head to head contact and by sharing objects such as hats, hair brushes, head bands, pillows and towels.

Ensure that you and your household is protected from head lice this season by taking the necessary preventative steps to keep head lice away;

Below are 4 crucial steps to keep your school head lice free:

- Avoid sharing clothing, especially hats, ribbons, head bands and helmets
- Discourage children from playing with each other’s hair
- Don't share brushes, combs, towels and pillows
- Keep long hair plaited or firmly tied back to prevent contact from other kids

The above tips will help limit the outbreak of head lice at MSPS

For further information click [download the KP24 head lice fact sheet here](#).

Our program is growing, so we are looking for more families interested in providing a warm and supportive environment for an international student who has chosen to study at Mill Park Secondary College.
