From the Principal

Hello Everyone,

What a wonderful week we have had for Book Week. The children and staff have thoroughly enjoyed lots of literature together. The celebration of books and quality literature began last Friday with the performance by Meerkat Theatre. The students were all riveted to the stage in both performances. The multi-age day on Monday was FANTASTIC and there was lots of enthusiasm and enjoyment about the books read and activities associated with them. The costumes and commitment of our children and staff for our Book Parade on Friday was terrific. Thank you to all of those parents who supported their children with their costumes. They all looked amazing. Debbie Cullen, yet again did an amazing job of coordinating the week. Thank you Deb and well done.

Our Science and Technology Fair was very successful last week. There were a variety of innovative and technical entries by students from all levels. It was clear that a lot of work had gone into them. Well done all of those students who contributed. Diana Gevaux also showcased our school wide Science program. It was a great opportunity for our families to see what is happening in science and families were given a special present from “Lizzy”. Thank you to Karen Jeffery and Leanne Nicholls for coordinating the Fair and attending on the night. Thank you also to Diana for the Science display and for attending on the night. Congratulations and thank you to those families who attended.

The grades 3/4 Camp is next week on Monday, Tuesday and Wednesday. We will be conducting the grade 3/4 camp at the Arrabri Lodge in Warburton. We hope they all have a wonderful time.

VISION

Our vision for Morang South Primary is to become a vibrant learning community where all members are challenged and empowered to strive for and celebrate personal excellence and continuous growth. The children will become positive, compassionate, able, creative, confident thinkers, and life long, socially responsible learners equipped to thrive in and shape the future of our evolving global society.
and we look forward to hearing the ‘stories’ on their return. If the communication infrastructure and the technology allows, we will post some photos directly from the camp onto our website during the camp. We know from previous years that the Wi-Fi signal isn’t quite strong enough to upload photos in a timely manner. Please keep a look out on our website, but remember this will only occur when possible. I will be visiting the campers on Tuesday so I am certainly looking forward to that!

Child Safety

When entering the school grounds, it is important that children only enter via the pedestrian gates and not through the staff car park. This is necessary for the children’s safety so your observance is extremely important. Only authorised staff cars are to use the school’s car park. Please do not use the staff car parks for pick-up or drop off of children as children are not allowed in these areas as this is not a safe practice.

As a Sun Smart school, all members of our school community are required to wear “sun smart” hats when participating in outdoor activities from September 1 until the end of April 2017. This includes all of terms 1 and 4 and part of terms 2 and 3. To maximize protection from harmful UV rays, we encourage the wearing of broad brimmed hats and sunscreen. (Sunglasses are optional). Please be sure that your children’s hats are ready for the week commencing September 5th.

The Father’s Day stall will be held in a fortnight on September 1st. The PFA are well organised and there will be a great range of gifts for the children to purchase. Please see the details on the PFA page.

Work on the 2017 grade placements is about to get underway. If you have any concerns or important information regarding your child’s grade placement for 2017 please put these in writing and address the envelope, marked confidential, to Julie Jones by FRIDAY SEPTEMBER 16TH. The students are given an opportunity in class to make a short list of students they would like to be with. We guarantee them one of the students on their list unless there are extenuating circumstances. These circumstances would then be discussed with their parents or carers. Requests can only be in relation to student friendships. Teacher requests will not be considered.

It is important for us to have accurate enrolment numbers for children attending our school in 2016 so that the best possible class structures and class sizes can be organised. As always, our children, their learning and development, will remain our top priorities. We understand that some new schools are opening in the area and that they may be more convenient for you. We will happily support your child and their transition to a new school. Please contact us to let us know if your child/children will not be attending MSPS in 2017.

Our Newsletter arrives via email.

If you would like a hard copy of the Gorge News, there will be a limited number available in the foyer for collection by you or your child.

Education Matters, Teachers Make a Difference & Every Day Counts!

Keep up that lifelong learning!

HG 21 and Book Week Multi Age Day

HG 21 had great fun on Monday this week during Book Week Multi Age Day. Children went in small groups from their own grade and worked with other children across the school. We took photos of our favourite activity. Activities were based on picture books.
This term the grade 1/2’s have enjoyed learning about lots of different Australian Animals during our Term 3 Unit, *Surviving Suburbia*. During writing, we have learnt how to write an information booklet to present the facts we have learnt about kangaroos.
MSPS R U OK? Day - SAVE THE DATE!

Thursday 8th September

MSPS proudly implements a whole-school approach for supporting and improving children’s mental health and wellbeing. Children who are mentally healthy learn better, benefit from life experiences and have stronger relationships with family members, school staff and peers.

After a successful R U OK? Day last year, we would like to promote and participate in this day again. We ask all children to wear yellow and bring to school at least one (1) blown up balloon with ribbon or string attached.

Balloons can be any colour and of course you can bring more than one.

Balloons do not have to be filled with helium.

There will be no cost for this initiative.

Write, show and share the love.

For more information about R U OK?

How thinking affects feeling

Understanding that what we think affects how we feel and how we behave helps children and adults learn effective ways of managing emotions. As shown in the following examples, unhelpful thoughts can lead us to feel bad about ourselves and can stop us from doing what we want to do. Helpful thoughts lead to more positive feelings and effective behaviours.

**Ben thinks:** I’m so dumb – everyone is better at school than me. Ben feels frustrated and hopeless, and he gives up on doing his homework (behaviour).

**Sharni thinks:** I’m never going to make any friends at this new school. Sharni feels worried and sad, and she refuses to go to school (behaviour).

**Rachael thinks:** I wrote a good story in class yesterday. Rachael feels proud and confident, which helps her to write the next story (behaviour).

### Challenging unhelpful thinking

Unhelpful thinking is very common in both children and adults. Often we don’t notice it because the thoughts happen automatically. By listening to the things children say about themselves and their experiences, parents and carers can learn to notice and gently challenge children’s unhelpful thinking. The best way to do this is to help children think through the reasons why they think a particular way. Saying things like, “I can see how you might think that, but maybe there’s another way of looking at it,” or “Let’s see how we can check that out,” are very useful for helping children change their unhelpful thinking. It can help children to know they are not wrong to have unhelpful thoughts (everybody has them), but that learning to identify and change unhelpful thinking is a way of managing their feelings better.

**How thinking affects feelings – continued**

Some examples of unhelpful thinking and more helpful alternatives are listed in this table:

Remember that every day counts and arriving at school on time, every day, can improve student learning! Please make sure you send a note if your child is going to be absent from school or on their return to school after an absence.

School Clothes

If your child has been given a clean set of clothes from the MSPS, we desperately need these returned ASAP. Please wash and dry the clothes and return them to the office.

We are currently very short of clothes due to the wet weather and students not returning borrowed clothes. It is a great idea for students to have a change of clothes in their bags.

All Welcome
Morang South Primary School 15th August 2016

Last week at OSHC children were busy making biscuits and muffins which they enjoyed! Children also enjoyed playing in the gym where they participated in a group game of basketball! We also looked at healthy eating where children were able to contribute in group discussions about healthy foods.

**Super Hero Theme:**
This week at OSHC we will be exploring the theme of super heroes! Children will be involved in a variety of craft activities where they will create super hero masks and their very own superhero!

To help us raise funds to support the Smith Family’s Learning for Life Program, the OSHC team has prepared a jar full of stationary! Students can donate a gold coin and in return try their best at guessing how much stationary is in the jar. The closest guess wins!

Please note before school care and after school care, hours have changed. We are now open from: 6:45am till 8:45am and 3:30pm till 6:15pm

If your child is attending or not attending OSHC please notify us on 0412 318 716, we greatly appreciate notification. A text message or phone call is fine.
