7th October 2016

Dear Parents,

So the time is almost here for Morang South Primary School's latest school production "Bounce Back!". All students have been working hard rehearsing their routines ready to perform in week 3!

As part of their costume all students are required to wear stage make up. It is imperative when performing in a theatre under stage lighting that proper stage make- up is worn in order for the performer's faces to be seen.

All students will need to have their make-up applied **prior to arriving at the theatre.**

On the back of this note is a design with instructions of how to apply the make-up. We understand that you may have limited products available at home, we ask that you do the best you can with what you have.

If you have any questions or concerns, please don't hesitate to ask us your classroom teacher.

Kind Regards,

The Concert Committee

A-K Students' Concert Rehearsal
