**From the Principal**

Hello Everyone,

Australia is home to people from many different cultural, racial and ethnic backgrounds, bringing richness to our community.

“Almost half of all Victorians were either born overseas or have at least one parent who was born overseas. We speak more than 250 languages and dialects and follow around 135 faiths and religions.” Victorian Multicultural Commission

Here at MSPS we have students who were either born or have a parent or grandparent from over forty countries. We also have students who can speak or understand almost thirty languages. This means that children today will form friendships, learn with and interact with people from many cultures different to their own. When children grow up to understand, appreciate and respect the cultural, racial and ethnic diversity around them, this builds a positive and accepting community. A community such as this supports children to develop skills and attitudes that will assist them in their relationships and contribute to their social and emotional wellbeing. This year we are celebrating our cultural diversity by participating in Harmony Day. It is held each year on 21 March. It’s about inclusiveness, respect and a sense of belonging for everyone. This year’s theme

**VISION**

Our vision for Morang South Primary is to become a vibrant learning community where all members are challenged and empowered to strive for and celebrate personal excellence and continuous growth. The children will become positive, compassionate, able, creative, confident thinkers, and life long, socially responsible learners equipped to thrive in and shape the future of our evolving global society.
is ‘our diversity is our strength’. On Monday the children will work in multi-age groups and participate in activities to celebrate Harmony Day. The results of the day will be shared by some children at assembly in the afternoon. Remember all parents, carers and extended family and friends are welcome to attend our assemblies. They commences at 2.45pm.

Harmony Day also coincides with the United Nations International Day for the Elimination of Racial Discrimination. This year marks 50 years since the declaration of the day. By working together, families and schools can create supportive environments for children from majority and minority racial and ethnic groups. This includes understanding ways to promote positive attitudes, counter negative attitudes and respond to racism, if it occurs. Supportive environments like these help children from all cultural backgrounds to understand, respect and appreciate cultural differences.

The current Sun Smart policy requires children to wear their hats until the last week in April. This is until the end of week 3 in term two. Please ensure that all children have their hats for these three weeks. Active, outdoor play is important for health and development. Outdoor activities are safe as long as time spent in direct sunlight is minimized whenever possible – plenty of shade, combined with the use of appropriate hats, clothing and sunscreen help to protect children from getting sun burnt and tanned.

You will have received the student-led, three-way conference notice and instruction sheet on how to use the online booking system. It is a Department of Education and Training expectation that parents participate in their children’s education and conferences of this type. It is a wonderful opportunity for you to share in your child’s education and celebrate their progress with them so please attend.

Please don’t hesitate to contact us if you’d like some assistance with this. Thank you to all those families who have already booked a time. Please ensure that you have made a conference time to enable you and your child to work in partnership with their teacher to further their education.

You may recently have received a letter from the office requesting an Immunisation Status Certificate be provided. It is a legal entry requirement to Victorian schools and some have not been provided. This Certificate can be obtained from a Medicare office, by emailing or by phone. Even if your child has incomplete Immunisation, we require the status certificate. Thanks for your assistance in this matter. All enrolments require an Immunisation Status Certificate and birth certificate/ passport. Thank you to those families who have already assisted us with this.

Our Newsletter arrives via email.

If you would like a hard copy of the Gorge News, there will be a limited number available in the foyer for collection by you or your child.

Education Matters, Teachers Make a Difference & Every Day Counts!

Keep up that lifelong learning!

Cultural diversity and children's wellbeing

What is cultural diversity?

Cultural diversity refers to people who identify with particular groups based on their birthplace, ethnicity, language, values, beliefs or world views. This does not mean that everyone from a particular cultural group will hold exactly the same values or do things in the same way. Showing support for cultural diversity involves talking with people to find out how best to include them and respect their cultural needs. Valuing and respecting diversity encourages people to accept individual differences amongst individuals and groups.

Harmony Day

Harmony Day, 21 March, celebrates Australia’s cultural diversity. It’s about inclusiveness, respect and a sense of belonging for everyone.

It is a day for all Australians to embrace cultural diversity and to share what we have in common. The central message for Harmony Day is that ‘everyone belongs’, reinforcing the importance of inclusiveness to all Australians.

Culture and belonging

Research in many different cultures confirms the importance of all children developing secure emotional connections with the adults who care for them. However, the ways that parents and carers go about developing these connections vary based on cultural beliefs about parenting and child development, as well as individual preferences and capacities. For example, in some cultures children are expected to always listen and respect their elders, while in other cultures children are taught from an early age to speak up for themselves.

Children’s connection to their culture develops through their experiences. Having a strong sense of their own cultural history and traditions helps children build a positive cultural identity for themselves. This also supports children’s sense of belonging and self-esteem.

To be able to get on well in another culture, children need to understand and respond to different expectations (eg school versus home). It can be complex, and sometimes confusing, for children from diverse cultural backgrounds to fit within two cultures and make sense of the different expectations. In some cases children may experience ‘cultural conflict’ and feel that they have to choose one culture or the other, even though they have to live in both.

This can be stressful for children and have negative impacts on their mental health and wellbeing. However, when children have a positive sense of belonging to both cultures, their mental health and wellbeing is supported and so is their learning.
The **Grade 3-6 MSPS Athletics Carnival is fast approaching and we need your help!** It is booked for **Thursday April 14th**—week 1 of term 2. We need **lots** of helpers to make this event a success. Parents/Grandparents/Carers can assist us on the day by supervising an event or assist with organising equipment and measuring distances/results (all necessary information will be supplied and teachers will be there to help you!). If you are able to come along to help, for some or all of the day, then make sure that your Working With Children Check is up to date, and let us know ASAP, by sending a note to your child’s classroom teacher. It is always a great day and the students love to see their family members/carers supporting them with their events.

Remember that every day counts and arriving at school on time, every day, can improve student learning! Please make sure you send a note if your child is going to be absent from school or on their return to school after an absence.

---

**Supervision before school**

Parents are reminded that **teachers are on yard duty from 8.45 am** and that students who arrive at school prior to this time are not supervised. Any child who arrives **without an adult before 8:30 am MUST go straight to the office**. Children arriving at school earlier than this will be placed in **Out of School Hours Care** and you will be charged accordingly.
Have you downloaded the MSPS app?

Our school app provides another medium for MSPS to communicate and connect with our parents and carers.

To download the app...

- Just visit the App Store for iPhones or Google Play for Android’s.
  (If using an Android phone, search for ‘Updat-ed School’)
- Search for Updat-ed and then from the menu select our school.
- The school will receive your registration request and the school will need to approve you before your app is up and running.

So what will the app do?

The app is great for sending out alerts (‘Updat-ed’) to everyone or reminders (‘Events’) to specific year levels. One of its best features is having the ability to upload your child’s absence note and also view the online school calendar of events then download the events to your device’s calendar.

We hope you enjoy being Updat-ed.

*The Updat-ed App works best on Smart phones that have the most recent IOS. Please contact Sandi Young or Cameron Borg if you require technical support.

WE HAVE 243 MEMBERS IN OUR FACEBOOK GROUP!

We are encouraging MSPS parents to either download our school app Updat-ed or join our closed Facebook Group: ‘Morang South Primary School’.

Parking and traffic around all schools at drop off and pick up time is often problematic. In recent weeks the City of Whittlesea By-Laws officers have been patrolling parking areas surrounding schools. The City of Whittlesea has been alerted to the fact that some people are parking for far longer than permitted in the parking section south of the crossing in Riverside Drive, which is designated a three minute drop off zone. Please consider others and park according to the law. Remember that you will be fined if you park illegally in this zone!

Get involved in the School Banking Program

School Banking day is Tuesday.

We are excited to offer the Commonwealth Bank School Banking program to all students.

The School Banking program provides children with an opportunity to deposit money into their Commonwealth Bank Youth Saver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a silver Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward.

The rewards available during 2016 are:

- Flying Snake Tail
- Wildlife Writer Set
- Mud Splat Handball
- Outback Pat Bag Tag
- Backtrack Eraser Pen
- Jump and Skip Rope
- Bush Fly Fan
- Wriggly Glow Worm

School Banking is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Getting involved in School Banking is easy!

You can get involved in the School Banking program by opening a Commonwealth Bank Youth Saver account at your local branch. All you need to bring is your current identification as well as your child’s birth certificate. If you are an existing Commonwealth Bank customer and have NetBank, you can open an account online.

If your child has an existing Commonwealth Bank Youth Saver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.
