**VISION**

Our vision for Morang South Primary is to become a vibrant learning community where all members are challenged and empowered to strive for and celebrate personal excellence and continuous growth. The children will become positive, compassionate, able, creative, confident thinkers, and life long, socially responsible learners equipped to thrive in and shape the future of our evolving global society.
A parent in our community has brought to our attention that there is an uneven path on Riverside Drive, which is a trip hazard. The parent has rung the Whittlesea Shire to inform them but would like our community support. If you have noticed this or walk along Riverside drive on the bus stop side opposite the school fences, our community member would like to encourage you to call the Whittlesea Shire and inform them of the hazard.

Email Address info@whittlesea.vic.gov.au

Persistent calls may see some action taken. Thank you.

As many of you would know, teaching and learning are constantly changing. It is an expectation of teachers, integration aides and office staff that we continue to learn about current best practice and ensure that we know how to use research and data to build our capacity to the best it can be. As a teaching staff we usually spend 6 – 8 hours on after school meetings per term for our professional development. Last night two of the DET speech pathologists were our guest presenters and delivered an informative and interesting workshop on Language and Speech. If you have any concerns about your child’s speech or language acquisition, please talk to your child’s classroom teacher and they will support you by providing you with information or directing you towards the appropriate path.

Our teaching staff will be attending the Whittlesea NETS either this afternoon after school or next Thursday after school. This is a great opportunity for our staff to meet with other teachers in the Whittlesea area and both learn from them and share the great work we do here at MSPS.

Tuesday was school photo day. We were certainly lucky with the weather once again. Our students and staff were terrific and the parent helpers, as always were amazing! Thank you to the staff and students for living our values and representing our school so well. The grade 6 students looked resplendent in their jackets, and were very excited to be wearing them. A special thank you to the mums, Michelle Lewis, Lynda Luke, Jodie Potter and Adele Whitchurch, who assisted all day and Shibrone Campbell, for part of the day to ensure everything, went so smoothly. We couldn’t have done it without you all. I am always a proud Principal of our School community knowing how well the day went, adds to the pride and pleasure! Thank you.

Hopefully you have already met your child’s teacher. If not, you will have an opportunity to do so on Tuesday March 22nd. You will have received the student-led, three-way conference notice and instruction sheet on how to use the system. It is a Department of Education and Training expectation that parents participate in their children’s education and conferences of this type. It is a wonderful opportunity for you to share in your child’s education and celebrate their progress with them so please attend. Please don’t hesitate to contact us if you’d like some assistance with this. Thank you to all those families who have already booked a time. Remember “first in, best dressed”.

Our Newsletter arrives via email.

If you would like a hard copy of the Gorge News, there will be a limited number available in the foyer for collection by you or your child.

Building better family relationships

There are lots of ways to show you care even in busy families

Tune in
One way to show you care is by listening to what other family members have to say with interest and enthusiasm. Other ideas include doing things for one another, helping (without complaining!), celebrating birthdays and achievements, and taking the time to understand how other family members are feeling. Hugs are another favourite.

Have fun together
Spend time doing things you enjoy. Doing simple things that allow you to relax and play together is very important for building positive feelings and connections amongst family members. Playing games or sports, going to the park, having picnics, visiting with friends or just relaxing together are examples of family activities that help to build relationships.

Family rituals
Family rituals can help to build a sense of connection and belonging. These may include family celebrations that happen once a year, as well as everyday activities like bedtime stories, morning cuddles or cooking a special meal together once a week. Having family rituals and routines that you enjoy together helps to create strong family bonds.

Share the load
Family life can get out of balance when one person feels they have the burden of responsibilities, or when one person makes all the decisions. Supporting each other includes sharing the chores and making sure that everyone gets to have a say in the decisions that affect them.

Get support
Family life has many challenges as well as rewards. Getting support when you need it – from extended family, friends, or professionals – is important for managing the challenges. Professional counselling is a particularly valuable strategy for helping many families who experience relationship problems.

Make time to talk
Regular time for talking and listening to one another helps families to plan and set priorities, strengthen relationships and build mutual understanding. Taking a few minutes to talk with children after school or before bedtime, and making time for adults to ‘check in’ with each other, is important for building connections and cooperation. Family discussions are often very helpful ways of resolving conflicts and maintaining positive relationships. Make sure that everyone gets a turn to share feelings and thoughts and contribute to finding solutions that can work for the whole family.

Share values
Sharing common values strengthens belonging and helps families work together when challenges arise. Discuss your beliefs and values or tell stories about your own family and cultural history. Demonstrate through your behaviour values like respect, care, compassion and responsibility. Remember that children are influenced by what you do even more than by what you say.

Appreciate differences
Family togetherness doesn’t mean everybody has to be the same or always do the same things. It helps to appreciate that everyone is different, and to value and respect each family member’s unique needs, wants and talents. Avoiding negative comparisons, and affirming what each individual has to offer, creates strong family bonds.

Remember that every day counts and arriving at school on time, every day, can improve student learning! Please make sure you send a note if your child is going to be absent from school or on their return to school after an absence.

Great news!, We are now set up to use “Our Online Canteen” for lunch ordering.

You can go to the link, sign up and follow the instructions.

You are still able to use the traditional process for ordering lunches through the classroom lunch order box and the paper bag.
Have you downloaded the MSPS app?

Our school app provides another medium for MSPS to communicate and connect with our parents and carers.

To download the app...

- Just visit the App Store for iPhones or Google Play for Android’s.
  (If using an Android phone, search for ‘Updat-ed School’)
- Search for Updat-ed and then from the menu select our school.
- The school will receive your registration request and the school will need to approve you before your app is up and running.

So what will the app do?

The app is great for sending out alerts (‘Updat-ed’) to everyone or reminders (‘Events’) to specific year levels. One of its best features is having the ability to upload your child’s absence note and also view the online school calendar of events then download the events to your device’s calendar.

We hope you enjoy being Updat-ed.

*The Updat-ed App works best on Smart phones that have the most recent IOS. Please contact Sandi Young or Cameron Borg if you require technical support.

WE HAVE 243 MEMBERS IN OUR FACEBOOK GROUP!

We are encouraging MSPS parents to either download our school app Updat-ed or join our closed Facebook Group: ‘Morang South Primary School’.

There are some fascinating statistics about Australia’s diversity. Did you know:

• around 45 per cent of Australians were born overseas or have at least one parent who was.
• 85 per cent of Australians agree multiculturalism has been good for Australia.
• apart from English the most common languages spoken in Australia are Mandarin, Italian, Arabic, Cantonese, Greek, Vietnamese, Tagalog/Filipino, Spanish and Hindi.
• more than 60 Indigenous languages are spoken in Australia.
• 92 per cent of Australians feel a great sense of belonging to our country.

This year at OSHC we have been welcoming many new families! Our service has been growing rapidly this year and we couldn't be happier! Children have been keeping busy at OSHC by participating in physical and craft activities! Children have been experimenting with food dyes effects on lettuce by paring up and choosing a colour they like to by use. All the children enjoyed participating in this activity and had loads of fun doing it!

Better Buddies

This week we will be introducing the better buddies program, this enables younger children to feel safe and cared for while older children feel valued and respected. We will be discussing the meaning of leadership, what qualities make a good buddy and the actions of a great friend this week in OSHC.

Holidays are only FOUR weeks away! Bookings are now available at www.campaustralia.com.au

If your child is attending or not attending OSHC please notify us on 0412 318 716, we greatly appreciate notification. A text message or phone call is fine.

Parking and traffic around all schools at drop off and pick up time is often problematic. In recent weeks the City of Whittlesea By-Laws officers have been patrolling parking areas surrounding schools. The City of Whittlesea has been alerted to the fact that some people are parking for far longer than permitted in the parking section south of the crossing in Riverside Drive, which is designated a three minute drop off zone. Please consider others and park according to the law. Remember that you will be fined if you park illegally in this zone!
