Dear Parents/Carers,

We are very proud of our Science program here at Morang South Primary School and as such we would like to invite you and your children to attend a fun filled 'Family Science Show' hosted by the renowned Dr Peter Eastwell.

The evening to be held on **Thursday 19th May**, will actively engage your family in education by providing you with the chance to work together on hands-on, minds-on science activities. In addition, Dr Eastwell will perform exciting scientific demonstrations.

To be held in the OLA from **6:30pm to 8:00pm**, the **first forty families who return the attendance slip below** will be able to participate in this special evening to celebrate Education Week.

Kind regards,
