

PARENT PAYMENT ARRANGEMENTS 2021 – YEAR 5

Dear Parents and Carers,

Friday November 27th 2020

We are looking forward to another great year of teaching and learning. We would like to advise you of our parent payment arrangements for **2021**. Please find the fee schedule for **year 5** attached.

Please complete this form and return it to school by Friday **December 11th** so the school can prepare accordingly.

At Morang South Primary School, we make every effort to keep the cost of items and activities to a minimum and affordable for all parents. The School Council approved the Essential Resources cost for the 2020 school year at their meeting on Wednesday November 25th.

Our essential resources and activities costs compare favourably with neighbouring schools, pre-schools and secondary schools.

As I am sure you would understand, it is essential that outstanding payments from previous years' booklists or computers are also finalized.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

The following is a summary of the main principles of the Parent Payments Policy:

FREE INSTRUCTION

- Schools provide students with free instruction to fulfil the standard curriculum requirements as outlined in the Victorian Curriculum F-10, VCE and VCAL.

PARENT PAYMENT REQUESTS

- Schools do not ask parents to pay for school operating costs (e.g. utility costs) or general and unspecified charges.
- Schools request payments from parents under three categories:

Essential Student Learning Items

- Items and activities which the school deems essential for student learning.
- Parents may choose to purchase essential items through the school or provide their own.

Optional Items

- Items and activities that enhance or broaden the schooling experience of students and are offered in addition to the standard curriculum.
- These are provided to students on a user-pays basis.

Voluntary Contributions

- Voluntary contributions support the school to continue to be the best local school for all students and can be for general or specific purpose.
- Students will not be disadvantaged in any way if parents do not make a contribution.

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools obtain school council approval for their parent payment arrangements and upload their arrangements on their school's public website for transparency.
