

## Learning From Home - Year 1/2

Choose 3 activities to complete off of the Learning Grid

<p>Listen to a picture book from <a href="https://storylineonline.net/">https://storylineonline.net/</a> Draw and colour a picture of the setting from the book. Around your picture, write words to describe the setting.</p>	<p>Make a list of 15 verbs; things that you can do e.g. running, jumping. Cut out each word. Put them in a pile facedown. With a family member, play a game of Charades. Choose a card, look at it and then act out the word. Can they guess your verb?</p>	<p>Where do you love to visit - your grandma's house, the beach, the shops, the park? In your journal, write a paragraph about your favourite place and why you love to visit there.</p>	<p>If you found \$100, what would you buy? Draw a picture of your purchase, and write a sentence about it.</p>
<p>Make a tally chart showing the different types of fruits and vegetables in your home. Then use this information to make a bar graph.</p>	<p>Using chalk, draw a bullseye with 5 rings. Write a value in each ring. Standing 15 steps away, throw a small rock on the bullseye 5 times. Add up your points. Can a family member beat your score?</p>	<p>Using recyclable items, design and create a boat that can float on water. Test your boat in the sink or bathtub. How many coins can your boat hold before it sinks?</p>	<p>Set up a line of balls outside. How fast can you hop/skip/jump around each ball in the line? Time yourself. Can you beat your fastest time with more practise?</p>
<p>Head outside and gather items to make a face of nature. Head back inside. Glue your items onto a piece of paper to create a face. Hang up your artwork for your entire family to see.</p>	<p>Make a runway by using tape. Set a starting line at the beginning and make a tape mark every 5 steps. Stand at the starting line and fly a paper airplane. How far down the runway did you get? Try again.</p>	<p>Draw a picture of the main character from your favourite TV show. Around the picture, write words or phrases that describe their internal and external traits. See if you can come up with at least 15 traits.</p>	<p>Have you ever thrown a surprise party? Write a procedural text explaining how. Be sure to include a list of materials you need and each step to get ready for the party.</p>
