Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through our SEL curriculum program, Student Engagement, Wellbeing and Inclusion policy, use of restorative practices and our school values.

We inform students of their rights through our annual Start-Up SEL program focused on building a positive classroom and school environment and including our whole school approach to Respectful Relationships. Through these programs and approaches we aim to give students the skills and confidence to recognise unsafe situations whether with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns via the policies section on our school website or by contacting the office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Complaints and reporting processes

Morang South Primary School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy. The Complaints Policy can be found at;

<https://www.morangsouthps.vic.edu.au/policies-and-strategic-planning/>

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees and international student homestay providers) must follow our ***Child Safety Responding and Reporting Obligations Policy and Procedures***. Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:
