Complaints and concerns process for students

Morang South Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Morang South Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with your classroom teacher, the Mental Health and Wellbeing Coordinator (Miss Emily Saliba), Educational Support Staff, the Assistant Principal or the Principal. You might have a trusted adult at school that you also feel you can talk with about your concern. This person will take your concern or complaint seriously and will explain to you what steps we can take to try to resolve the issue and support you.

You can also ask your parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- talking to a member of the student representative council or student voice committee about your concern and any suggestions you have for resolving it
- talking to one of your Specialist teachers
- asking to make a time to talk to the Assistant Principal or Principal at the school office

- participating in our Attitudes to School Survey (for Grades 4-6)
- participating in our student forums held every term
- writing a note for your teacher or sending them an email

Complaints process

Raising a concern

Morang South Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child's classroom teacher, the year level Team Leader or if in need of further address to the Assistant Principal or Principal. Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Parents or other persons visiting the school with a concern or a complaint are advised that it is unlikely that staff will be immediately available to investigate the complaint. Office staff will make an appointment to meet with an appropriate person to discuss their concerns or take details for a return phone call.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Assistant Principal or Principal

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. Complaint received: Please either email, telephone or arrange a meeting through the front office with either the Assistant Principal or Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.

2. Information gathering: Depending on the issues raised in the complaint, the Principal, Assistant Principal or a nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.

3. Response: Where possible, a resolution meeting will be arranged with the [Assistant Principal/Principal] to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.

4. Timelines: Morang South Primary School will acknowledge receipt of your complaint as soon as possible (usually within 48 hrs) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Morang South Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 10 working days of the complaint being raised. In situations where further time is required, Morang South Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place. Schools are complex settings and information gathering can take some time.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Morang South Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Morang South Primary School may also ask you or those involved to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the Principal and you do not want to raise it directly with them, then the complaint should be referred to DET through the North Western Regional Office by contacting 1300 338 691.

Morang South Primary School may also refer a complaint to the DET's North Western Regional Office if we believe that we have done all we can to address the complaint.

For more information about the Department's parent complaints process, including the role of the Regional Office, please see: [Raise a complaint or concern about your school.](#)
